

WISCONSIN WILDCARDS

Go Wild with Wisconsin Wildcards!

Looking for fun and challenging new activities for your class or youth group? The *Go Wild with Wisconsin Wildcards!* activity guide provides educational and entertaining ideas for using the trading card-format wildcards that cover topics from invasive species to native fish to Wisconsin's special places. **Wisconsin educators and youth leaders may order the guide and corresponding wildcards** (one complete deck and three partial decks) **by mailing a request on school or youth organization letterhead, along with \$12 to:**

Ordering Information for Wildcard 30-Packs

1. Check the sets or packs of cards you wish to receive. **Please limit your order to one set or pack per species and make no more than 10 selections.**
2. So that we may continue to offer this service, donations to help cover the cost of printing, handling and mailing are always appreciated.
3. Please complete the return address information on the back of this form. Your materials may be sent UPS, so include your school/organization name and street address.

30 of each in a pack

Collating large quantities of cards is costly and time-consuming for the DNR. When ordering classroom or large-group quantities, please order packs of 30 for each card you desire and collate them yourself. We appreciate your understanding and assistance in this cost-saving measure.
